

CITY

NEVER LET RULES LIMIT YOU

AVERAGE DULL FOLLOWERS ORDINARY

It's time to step up your game and stand out from the rest. Do whatever it takes. Go where no one dares to. Call your own shots. You know no boundaries.

NEVER ORDINARY The show stopping City Hatchback demands for attention. This daring character boasts a defined silhouette and distinctive design.

POWER RETRACTABLE DOOR MIRRORS WITH TURNING LIGHTS

Adjustable door mirrors positioned close to the driver to ensure better visibility at all times

LED FOG LIGHTS WITH GARNISH

Stylish bold design enhances your presence on the road.

FRONT GRILLE

Cutting-edge glossy black grille creates a fearless look that makes a statement.

AUTO LED DAYTIME RUNNING LIGHTS & LED HEADLIGHTS

Smart and sharp light concept design that exudes a daring character from day to night.

16" DUAL-TONE ALLOY WHEELS

Make an impression with a multi-spoke, dual-tone wheel design.

REAR TAILGATE SPOILER & LED REAR COMBI LIGHTS

Turn heads with a sporty rear tailgate spoiler and stunning rear to side tail light design.

PERFORMANCE, UNLIMITED

Stay on top of the game with a powertrain that knows no boundaries. A fun driving experience with performance driven by unrivaled torque power. Highest Torque In Its Class

MAX TORQUE

253_{Nm}

1.5L SPORTS i-MMD e:HEV POWERTRAIN

Expect an exhilarating class-leading torque performance of 253Nm from the powertrain. Stand out and be ahead of the rest.

PUSH START BUTTON

Activate your City Hatchback with just the push of a button. Boldly outlined with a glowing red ring for a burst of energy.

DECELERATION SELECTOR PADDLE

Control is in your hands. Slow down on downhill roads and conquer corners effortlessly with this advanced feature.

REMOTE ENGINE START

Power up your car in style. This smart first-in-class feature allows you to cool down your car and warm up your engine from a distance.

SPORTS PEDAL

Sporty polished metal-plated finishing pedals with lower angle placement for less fatigue driving.

STYLE, UNLIMITED Take a closer look. The trendsetting interior features red stitching and state-of-the-art technology.

ELECTRIC PARKING BRAKE

Drive and come to a stop effortlessly with a flick or press of the electric parking brake.

7" TFT METER

Take the wheel with confidence. View various driving and car information with ease from a large set of twin lens meters displays.

STYLISH RED-STITCHED ULTRASUEDE®^ SEATS

Elevate comfort on plush seats with striking red stitching for enhanced sportiness.

REAR AIR CONDITIONING VENTILATION

Making a debut in the City Hatchback, this class-leading feature lets your passengers experience cool comfort in the back seat.

MODERN AND SPACIOUS CABIN

Stun the rest with the trendsetting interior design and indulge in elevated comfort.

8" DISPLAY AUDIO

Complement the City Hatchback's hip attitude with an advanced display audio system. Apple CarPlay™ and Android Auto™* smartphone mirroring lets you easily access navigation and entertainment apps at your fingertips.

LEATHER GEAR BOOT

Premium leather[^] gear boot that features red stitching for a sporty vibe.

AUTO AIR CONDITIONING

Comfort and convenience is not optional. Set the optimum temperature in the car for you and your passengers.

*Android Auto™ will be available upon official launch of the service in Malaysia. Actual model, features and specifications may vary in detail from images shown. Subject to change without prior notice.

UTILITY MODE

Adventure comes in all sizes. Flatten both rear seats and expand your boot to accommodate bulky items.

LONG MODE

No space for long items? Recline the front passenger seat and lower the rear seat to make room for lengthy items.

REFRESH MODE

This is no ordinary car seat configuration. Transform your front seats into a comfortable lounge-like setting.

TALL MODE

Tall items? Flip the rear seats up to create more floor to ceiling space for items like plants and furniture.

SENSES, UNLIMITED

Equipped with Honda SENSING, the most complete advanced safety technology in its class that reduces the likelihood of collisions by actively and passively protecting you on every journey.

Honda SENSING

in conducive weather and visibility conditions. Keep the camera clean and unobstructed for optimum performance. Despite the capabilities of Honda SENSING, drivers remain responsible for safely operating the vehicle and avoiding collisions. Drivers should always keep their hands on the steering wheel and be in control of their driving behaviour at all times

Actual model, features and specifications may vary in detail from images shown. Features and specifications are subject to change without prior notice.

LANE DEPARTURE WARNING

The steering wheel vibrates and notifies you to fix your path when you go off lane without

FORWARD COLLISION WARNING

When there is a risk of collision with the car ahead, you will receive smart audio and visual alerts.

ADAPTIVE CRUISE CONTROL

Cruise consistently as you maintain a fixed speed and safe distance with the car ahead of you.

ROAD DEPARTURE MITIGATION

An automatic warning and guide to align your steering and apply the brakes if your car veers too close to the edge of the road.

AUTO HIGH BEAM

Automatically switch from high to low beam when the preceding or oncoming car's light source is detected at night.

LANE KEEP ASSIST SYSTEM

If you leave the lane unintentionally, an intelligent alert and correction aligns your vehicle to the middle of the lane.

Honda LaneWatch

A class-leading feature that allows you to change lanes safely with an unobstructed side view.

SAFETY, UNLIMITED

Drive with confidence, knowing you're in good hands. Smart and reliable advanced features keep you safe on the road.

HILL START ASSIST (HSA)

Release your brakes with confidence, your car won't roll backwards on a hill.

VEHICLE STABILITY ASSIST (VSA)

Lessen understeers and oversteers for smooth cornering with this advanced safety technology.

EMERGENCY STOP SIGNAL (ESS)

Alert other drivers of sudden braking with rear brake lights and hazard lights that automatically light up.

ISOFIX I-Size Type

Give yourself peace of mind by keeping your little ones safe on board with attachment points that meet international safety standards.

AUTO BRAKE HOLD (ABH)

Ease the stress and fatigue of traffic jams with the assisted 'brake holding function'.

G-FORCE CONTROL (G-CON)

Controls the impact energy (G-Force) during a collision to lessen injuries to passengers.

A EOLLOWER

Be unique and never blend with the crowd. Honda Genuine and Authorised Accessories are designed for an extraordinary look.
