

HONDA

HR-V

COMMAND PRESENCE

Magnetism.

Influence.

Confidence.

Lay claim to it all with HR-V.

COMMAND ATTENTION

In the presence of HR-V, everyone stands back.

Striking the perfect balance between bold strength and agile grace,
the HR-V is a car no one will ignore.

RS FRONT GRILLE

Bright and dark contrasts in stunning chrome, while a distinctive red pulse line runs along the lower grille to get your heart racing.

LED FOG LIGHTS

Charge forward with confidence, even in low visibility, with LED Fog Lights.

LED TAILLIGHT STRIP & TAILGATE SPOILER

Awe-inspiring LED Taillights extend across the back of the HR-V for a sleek, sporty look that's a class above.

FULL LED HEADLIGHTS WITH FRONT LED SEQUENTIAL TURN SIGNALS

Full LED Headlights integrate mesmerising Turn Signals that light up sequentially to show where you're heading.

18" SPORTY ALLOY WHEELS

Leaders are strong and grounded, commanding the road with powerful Alloy Wheels.

POWER RETRACTABLE DOOR MIRRORS WITH TURNING LIGHTS

Signal your intentions with LED Turning Lights on door mirrors that can be folded when you park in tight spaces.

COMMAND POWER

Higher torque. Greater excitement. This is HR-V like you've never known before.
Break away from the crowd and see how far you can go.

1.5L e:HEV POWERTRAIN (EV MODE | HYBRID MODE | ENGINE MODE)

The thrill of the drive. Perfected. HR-V switches effortlessly between three different drive modes to balance power and fuel efficiency.

SPORTS PEDAL

Step on an accelerator accentuated by metal plating to give a sporty edge to your drive.

1.5L VTEC TURBOCHARGED ENGINE

The new generation HR-V has an engine designed to up performance and responsiveness so that you'll always look forward to being in command.

DECELERATION SELECTOR PADDLE

Fully engage in your drive with advanced controls on the steering wheel that enable you to slow down on downhill roads and take corners smoothly.

3-MODE DRIVE SYSTEM (ECON MODE | NORMAL MODE | SPORT MODE)

Shift into different driving modes on demand. Sport Mode provides even greater thrills while ECON Mode enhances efficiency.

COMMAND COMFORT

HR-V's interior takes cues from nature by being centred around light and wind to bring the feeling of the outside, inside. Paired with tech innovations, HR-V is ready for your command.

7" INTERACTIVE TFT METER CLUSTER

The Meter Cluster holds a snapshot of your drive, with the ability to customise your display settings.

8" DISPLAY AUDIO

Taking pride of place in the dashboard is a Display Audio that's the command centre for entertainment, navigation and more with connectivity to Apple CarPlay™ or Android Auto™.*

DUAL ZONE AUTO AIR CONDITIONING

Customise the cabin temperature to the personal preference of driver and passenger for ultimate convenience.

*Android Auto™ will be available upon official launch of the service in Malaysia.
8 Actual model, features and specifications may vary in detail from images shown. Subject to change without prior notice.

Spacious cabin featuring sporty red stitching on its seats.^

REAR AIR CONDITIONING VENTILATION

Comfort is a priority for every passenger, with air conditioning vents at the rear to circulate cool air to backseat passengers.

AIR DIFFUSION SYSTEM

A first for Honda, the Air Diffusion System enables you to switch from direct air flow to a diffusion mode that better circulates cool air throughout the cabin.

8-WAY DRIVER POWER SEAT

Ultimate comfort is setting your preferred seat height, incline and distance from the wheel so that you're poised to lead.

4 USB PORTS

Devices won't run low on batteries while on the go, with two USB ports at the front and two for rear passengers.

COMMAND INNOVATION

Fully loaded with innovative and practical features, HR-V puts you at a distinct advantage. This is next-level convenience you can't live without.

MULTI-UTILITY SEAT

UTILITY MODE

Be ready for any adventure. Lower the rear seats for more boot space to fit mountain bikes or other bulky objects.

LONG MODE

Need to carry long objects? Simply recline the front passenger seat and lower the rear to fit anything with ease.

TALL MODE

Extend your floor to ceiling space so you can carry tall objects like potted plants by flipping the rear seats up.

REMOTE ENGINE START

HR-V obeys your command, even from afar. Press Remote Engine Start to ignite the engine and cool your car before you enter.

WALK AWAY AUTO LOCK

Never look back. HR-V senses when you walk away and automatically locks the doors for you.

HANDS-FREE POWER TAILGATE WITH WALKAWAY CLOSE

Raise your foot below the rear bumper to activate a sensor that opens the boot and walk away to close it automatically.

CARGO FLOOR BOX

A hidden compartment in the cargo hold allows you to store wet or muddy items or even things you want to keep out of view.

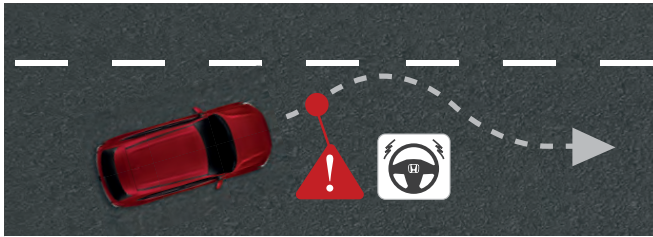

COMMAND INTUITION

Be prepared for any situation with Honda SENSING. HR-V has the most complete safety suite with 9 advanced features that use a front wide-view camera to reduce the risk of collision and protect you on every journey.

Honda
SENSING

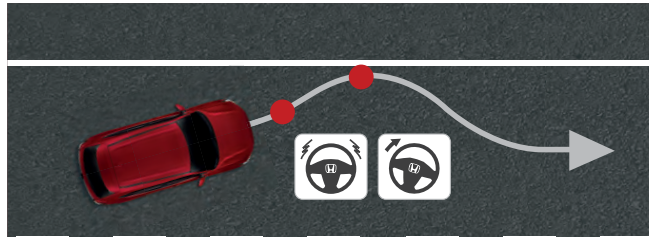

*Honda SENSING alerts and assists drivers to drive safely on the road. Honda SENSING functions best in conducive weather and visibility conditions. Keep the camera clean and unobstructed for optimum performance. Despite the capabilities of Honda SENSING, drivers remain responsible for safely operating the vehicle and avoiding collisions. Drivers should always keep their hands on the steering wheel and be in control of their driving behaviour at all times.

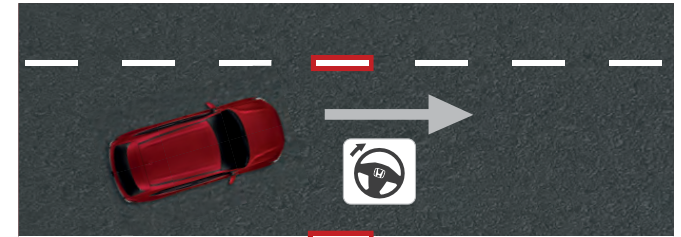

LANE DEPARTURE WARNING

If you unintentionally leave your lane without activating your turn signal, the steering wheel vibrates while a visual alert is triggered.

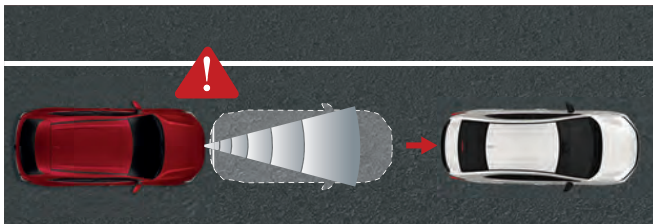

ROAD DEPARTURE MITIGATION

If you're drifting too close to the edge of the road, corrective steering and brakes will be applied to guide you back on track.

LANE KEEP ASSIST SYSTEM

Alerts and gently corrects the steering to bring you back to the centre of your lane when it detects the vehicle veering out.

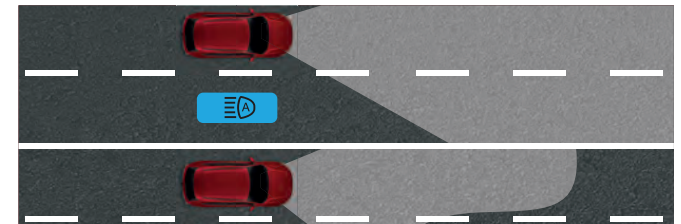

FORWARD COLLISION WARNING

Senses a risk of collision with the vehicle ahead and warns with an alert.

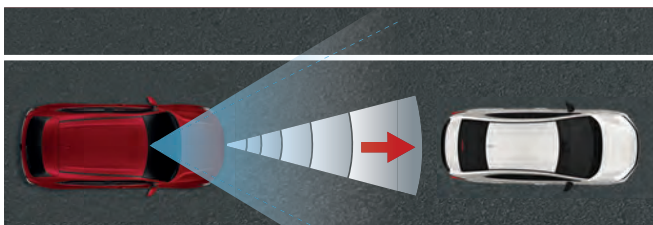

COLLISION MITIGATION BRAKING SYSTEM

Brakes are automatically applied when there's an increasing risk of collision.

AUTO HIGH BEAM

Automatically switches to low beam and high beam when it detects vehicles are approaching from the opposite lane.

ADAPTIVE CRUISE CONTROL

Cruise at a fixed speed and a safe distance from the vehicle ahead of you.^

^Works with Low Speed Follow

LOW SPEED FOLLOW

Automatically stops and moves your vehicle following the flow of traffic.^

^^Works with Adaptive Cruise Control

LEAD CAR DEPARTURE NOTIFICATION SYSTEM

Get an alert when the vehicle ahead of you moves and it's time to make a move.

COMMAND SAFETY

Be as assured with your HR-V as you are of yourself with comprehensive active and passive safety features.

Honda LaneWatch

Eliminate blind spots and see what's approaching on your Display Audio, so that you can safely change lanes.

MULTI-ANGLE REAR VIEW CAMERA

Be in control and see what surrounds you as you park with wide, normal and top-down views.

ELECTRIC PARKING BRAKE WITH AUTO BRAKE HOLD

The sleek and minimal way to park with the pull of a switch and reduce fatigue from braking in stop-start traffic.

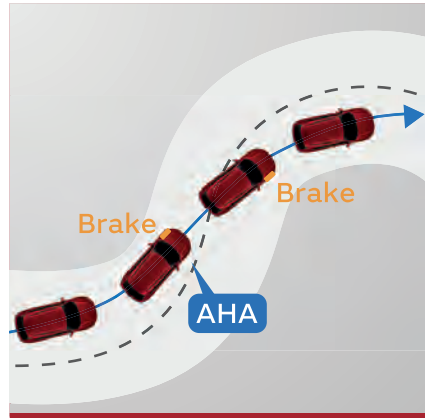

SEATBELT REMINDER

Get a visual confirmation that everyone is buckled up before setting off on your journey.

HILL DESCENT CONTROL (HDC)

When descending steep hills, HR-V keeps the speed stable to give you greater control.

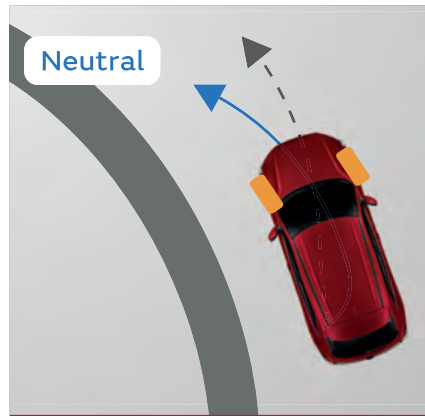

AGILE HANDLE ASSIST (AHA)

Maintain stability and agility while cornering and let AHA automatically apply gentle brake pressure for you.

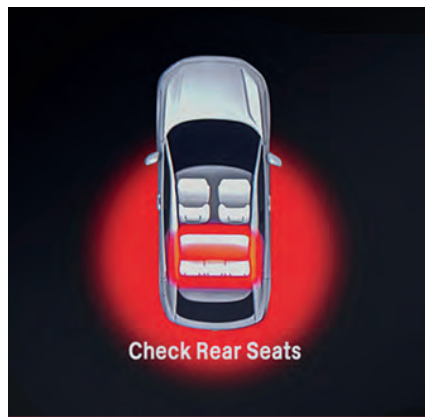

G-FORCE CONTROL (G-CON)

HR-V is built to withstand impacts by diffusing forces along its body to minimise injury to passengers inside.

VARIABLE GEAR RATIO STEERING SYSTEM (VGR)

Whether you're cruising or cornering, VGR adjusts the gear ratio and steering angle for improved handling and a sportier feel.

REAR SEAT REMINDER

A visual alert on the meter lets you know if there are passengers or items left in the back seat.

Check Rear Seats

ISOFIX I-SIZE TYPE

Carry your precious loved ones with the confidence that they're secured safely in their car seat with ISOFIX anchor points.

SAFETY

AUTOMATIC COLLISION DETECTION

A call for help will be sent out automatically in case of a collision.

SECURITY ALARM DETECTION

Get an alert when your car alarm is triggered, so that you can take action.

SPEED ALERT

Set a speed limit and be notified when the limit has been exceeded.

SECURITY

FIND MY CAR

Know the whereabouts of your car instantly.

GEO-FENCING ALERT

Set geo-fenced zones and receive alerts when your car crosses them.

EMERGENCY CALL

Get help with an easy tap that calls your emergency contacts.

CONVENIENCE

CAR STATUS

Check fuel and battery among others, and know if any systems need attention.

REMOTE VEHICLE CONTROL

Start your engine, cool your car, lock doors or turn on the lights, wherever you are.

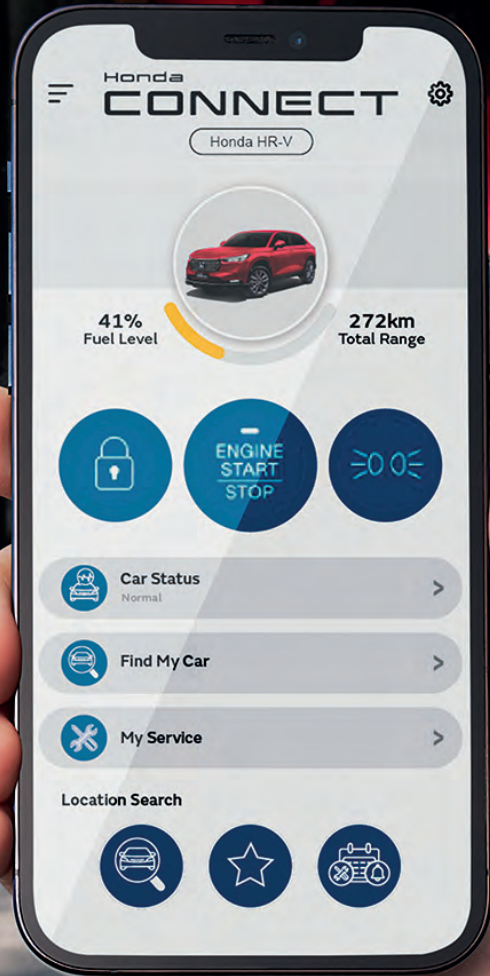

SERVICE REMINDER

Be notified when it's time for your car's routine maintenance.

Honda CONNECT

Next generation technology is in your hands with Honda CONNECT. Be in control of Safety, Security and Convenience features for your Honda with an easy tap on your phone. This is innovation that frees you.

COMMAND DISTINCTION

Stamp your mark on your HR-V with Honda Genuine and Authorised Accessories. Make your choice of enhancements with packages that prioritise what's important to you.
